

About The Program Designer

Quinton was born in South Australia at Gladstone just up north of Adelaide. His formal education began at Loxton continuing in the sea-side township of Kingston South East and Bordertown. He completed his secondary schooling in 1981 at Kent Town, Adelaide; with a brief tertiary experience at Flinders University in 2011/12. His wilderness years taught him valuable lessons on faith, trust, forgiveness, self mastery and in particular personal survival. Quinton is Chief Director of several growing Australian commercial enterprises and has a desire to share important Key Universal Laws to being secure, healthy, happy and successful in a fragile, insecure and directionless world.

You can be sure that doing it the right way, although it may take a little longer, whatever you achieve, you will have no difficulty in keeping. Do it the wrong way, and you will struggle to hold on to it, until ultimately, sadly, you loose it all.
